

At Shetty Institute of Technology, we are excited to announce the launch of our Innovation and Incubation Center for students. This center aims to create a vibrant ecosystem that fosters creativity and entrepreneurship. By providing resources such as mentorship, funding opportunities, and state-of-the-art facilities, we empower students to turn their innovative ideas into successful businesses. Our mission is to nurture young talents, equip them with essential entrepreneurial skills, and connect them with industry experts and investors. We believe this initiative will not only boost the entrepreneurial spirit on campus but also contribute to economic growth and societal development.

VISION

The vision of the Innovation and Incubation Center at Shetty Institute of Technology is to help students create and grow their own successful businesses, making a positive difference in the world.

MISSION

The mission of the Innovation and Incubation Center at Shetty Institute of Technology is to support students in developing their ideas into real businesses by providing resources, guidance, and connections, and to foster a culture of creativity and entrepreneurship on campus.

OBJECTIVE

- **Encourage Ideas:** Help students come up with and explore new ideas.
- **Offer Support:** Provide resources, guidance, and funding to turn ideas into businesses.
- **Build Skills:** Run workshops to teach important business skills.
- **Connect People:** Link students with industry experts, investors, and mentors.
- **Promote Entrepreneurship:** Create a culture of creativity and entrepreneurship on campus.
