<p>Activity Report: The students of Shetty Institute of Technology, Kalaburagi under NSS Unit organized a programme on “Educating People about Rain Water Harvesting” to highlight the importance of raising the water table by recharging groundwater, reducing ground water contamination, Reduce flooding and erosion. Avoiding flooding of roads. The main motto of this program is to bring the awareness among the students to give the solution to the Adopted village area people. In many places they are having drinking water problems because of lack of water storage in the earth layers. So, in order to avoid the drinking water problems, the awareness on rain water harvesting is very help full. In order to overcome these problems, we have discussed new techniques in the meeting on different rain water harvesting processes.</p> <p>Students and faculty members attended for the program.</p>

<p>Activity Report: The students of Shetty Institute of Technology, Kalaburagi under NSS Unit organized a programme on "Women Empowerment Awareness" designed to realize the importance of women empowerment.</p> <p>Women empowerment is the pivotal part in any society, state or country. It is a woman who plays a dominant role in the basic life of a child. Women are an important section of our society. Education as means of empowerment of women can bring about a positive attitudinal change. It is therefore, crucial for the socioeconomic and political progress of India. The Constitution of India empowers the state to adopt affirmative measures for prompting ways and means to empower women. Education significantly makes difference in the lives of women.</p>

<p>Activity Report: The "Awareness Programme on Hazards of Plastics" activity is organized by Mechanical department, Shetty Institute of technology, Kalaburagi on Date: 20-08-2018 in Tilak Nagar Kalaburagi.</p> <p>There as on behind the ban on polythene and plastics below the prescribed limits(50 micron) is due to the fact that the plastics are non-biodegradable and cause threat to the ecological system. They reduce the fertility of soil and hamper growth of plants, choke drains and sewer resulting in overflowing gutters and if swallowed by cattle, may cause death by obstructing their intestine.</p>
