Shetty Institute of Technology
Kalaburagi

Vision:

To cultivate a vibrant campus culture where every student feels valued, engaged, and supported in their personal and academic endeavors. Through inclusive leadership and proactive initiatives, the council envisions a dynamic learning environment that nurtures innovation, diversity, and excellence. It aspires to be a catalyst for positive change, inspiring students to become responsible global citizens and future leaders in their respective fields.

Objective:

To empower students by providing a platform for leadership and representation. It aims to foster a sense of community and collaboration among students while promoting their interests and addressing their concerns. The council strives to facilitate communication between students, faculty, and administration to enhance the overall academic and extracurricular experience.

Event Overview

EVENT NAME	Engage Your Spontaneity with Pick and Speak!
DATE AND TIME	22-06-2024
VENUE	Shetty Institute of Technology Kalaburagi

Event Description

Brief Description

Governing council members carried on activity on "Engage Your Spontaneity with Pick and Speak!" is an engaging event designed to help students develop their personalities through quick, thought-provoking activities. Participants engage in a series of rapid-fire questions, prompts, and challenges aimed at fostering self-awareness, communication skills, and confidence.

Objectives

- **Self-Awareness:** Encourage participants to reflect on their personalities, strengths, weaknesses, and values through quick and introspective activities.

- **Communication Skills:** Enhance participants ability to express themselves clearly, concisely, and confidently within a short timeframe.

- **Adaptability:** Foster the capacity to think quickly and adapt to various prompts and questions, promoting flexibility and resilience.

- **Personal Growth:** Facilitate insights and revelations about personal strengths, areas for development, and potential career paths or personal aspirations.

- **Networking:** Create a dynamic environment for participants to engage with others, share experiences, and build connections based on mutual interests and personalities.

- **Confidence Building:** Boost participants confidence in expressing themselves authentically and showcasing their unique personalities in various contexts, including interviews, social interactions, and professional settings.

Event Summary

"Engage Your Spontaneity with Pick and Speak!" is an interactive event tailored for college students aimed at fostering quick thinking and communication skills. Participants are given random topics or prompts which they must speak about extemporaneously for a short period of time.
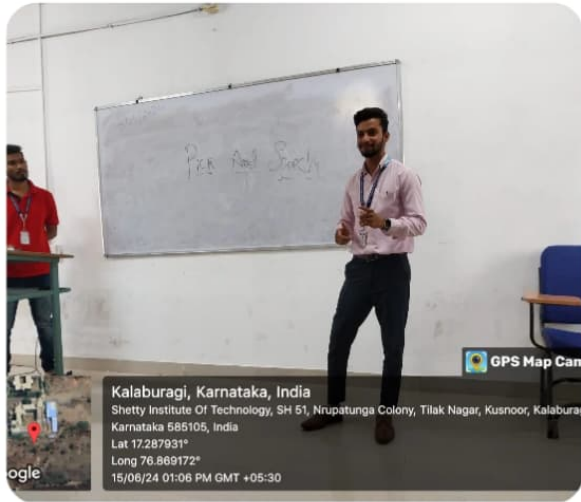

The event encourages spontaneity, boosts confidence in public speaking, and enhances critical thinking abilities. It provides a fun and supportive environment where students can challenge themselves and improve their ability to articulate ideas on the spot.

Event Overview:

- **Objective:** Develop quick thinking, articulate communication, and confidence in public speaking.

- **Format:** Participants will draw random topics and have a brief preparation time before presenting their speech.

- **Key Benefits:** Enhances adaptability, creativity, and persuasive abilities in expressing coherent thoughts under pressure.
